An unprecedented JOURNEY for key players in FLORICULTURE

Pro Manager Mastercourses have rapidly developed into a unique tool to identify and connect future leaders in horticultural subsectors. We're ready to select managers and directors representing future proof companies from around the globe for this inspiring, two-week Pro Manager Mastercourse Floriculture in the Netherlands and Germany.

The Pro Manager Mastercourse welcomes 15 inspiring horticultural managers between 25 and 40 years old, who will soon play a leading role in the future development of floricultural production in their country/region in an innovative and sustainable way. Each participant has a minimum of 5 years working experience in a leading position within his/her company.

Program

This Mastercourse will guide, prepare and motivate you. From 15 to 26 January 2024 you will be among 15 peers from around the globe and together will visit leading Dutch companies in floriculture. You will receive expert insights from board members into the current state of the industry you work in and what the future will have to offer. In addition, you will also visit IPM Essen and will be part of the Young International Grower of the Year Award organized by AIPH. The Pro Manager Mastercourse Floriculture connects you to peers from around the globe, new friends and potential new business partners.
