Missing Link.....

An aerial photograph showing a multi-lane highway running diagonally through a rural landscape. The surrounding area is divided into numerous rectangular agricultural plots, some of which are covered with greenhouses. A prominent green space, possibly a park or a planned green corridor, runs parallel to the highway on the right side. The text 'From Private → Public Space' and 'Garden → Green Space' is overlaid in white on a semi-transparent dark band across the center of the image.

A satellite map of the Greater Taipei area in Taiwan. The map shows a dense urban area in the center, surrounded by green, mountainous terrain. A network of blue rivers and streams is visible, flowing through the landscape. The surrounding waters are dark blue. A scale bar at the bottom indicates distances in meters (0, 400,000, 800,000, 1,200,000, 1,600,000). A north arrow is located in the bottom right corner.

工具

1m² Roof Garden

1 釘製一個木框，底部鋪上不織布。

(Ex: 120cm*120cm; 高: 20cm)

2 拌入有機質土壤於方格中。

3 將方格先分隔出四區塊，再由每單元做細分。

4 大區可用木板作分隔，小區可以用繩子區分。

5 用小花園做基底，再裝釘上背框，可種植攀藤植物。
